Sir,

Sub: Monsoon Flood Kerala 2018 – Animal Husbandry Department-Requirement of Animal Feed & Fodder

Ref : Your message dated 24-08-2018

Animal Husbandry Department has set up nearly 1200 Animal Rescue and Rehabilitation Camps in the flood hit districts. The worst affected districts are Pathanamthitta, Kottayam, Alappuzha and Ernakulam. In spite of our earnest efforts to procure and supply animal feed and fodder, there is scarcity of the same in these districts. Hence it would be highly appreciable if you could publish the requirement of 100 Metric Tons of Cattle Feed and 300 Metric Tons of Hay/ Paddy straw in each of the following districts

Sl No	District	Cattle Feed (MT)	Hay / Paddy Straw(MT)	Contact and Collection Points
1	Alappuzha	100	300	District Animal Husbandry Officer, Alappuzha 9447399447
2	Pathanamthitta	100	300	District Animal Husbandry Officer, Pathanamthitta 9447751829
3	Kottayam	100	300	District Animal Husbandry Officer, Kottayam 9446117170
4	Ernakulam	100	300	District Animal Husbandry Officer, Ernakulam 9447258699

Yours Faithfully
